

Hi EBHC Family,

Earlier today, I had a President's video conference, organized by Hockey WA, with President's from other clubs, Hockey WA CEO (Stu Gilseman), Hockey WA President (Garry Fitzpatrick), and Board Members Peter Westlund, Narelle Finch and Michael. Henderson.

I would like to give you an update on where we are currently with the hockey season and what lies ahead.

- The Hockey WA board is set to meet on the 20th April to assess whether the season will commence after 31st May or delay further using the current advice at that time.
- The options available if this isn't achievable are to start after the July school holidays or have an extended summer season.

These video conferences are being scheduled to occur every 3-4 weeks, so I will provide you with updates after each of these.

Finally, I would like to acknowledge our fantastic sponsors, without whom, would make running a club that much more difficult.

- **Vic Giannakis** from **Better Choice Mortgages**
- **Warren and Robyn Jackson** from **Precision Elevator Removals**
- **Jinder Chouhan** from **Hockey International**

These sponsors have been with us long-term, and we value our relationship with them. During these uncertain times, if you can use their services, mention that you are a member of Eastern Blades Hockey Club.

Once again, if you do have any concerns, please don't hesitate to contact myself or Ceri Writer

Yours in hockey,

Brent Burgess
President
